- 2. Said petition requests the initiated ordinance be placed before the Town Board of Trustees for adoption or set for election; and
- An initiative petition seeking consideration at a regular or special election must be signed by registered electors of the Town equal in number to at least five (5) percent of the total registered voters on the day the form of the petition was certified; and
- 4. The number of signatures of registered voters who live within the Town of Estes Park town limits required for said petition to be sufficient is 246; and
- 5. Upon examination of the petition, I have determined that the petition contains 261 valid signatures, and the petition is therefore sufficient.
- 6. This determination of sufficiency is subject to protest as outlined in 31-11-110 *Protest.* A protest can be filed within forty (40) days after the filing date of the petition, May 16, 2025. The deadline to file will be 5:00 p.m. on June 25, 2025; and if protested, this determination of sufficiency will be superceded by a new determination of sufficiency or insufficiency following the hearing on the protest(s) and certification of the results of the hearing.
- 7. A breakdown of the particulars of each petition section is attached.
